no compromises.

pure from birth

You spent nine months planning for your little human to arrive, thinking about the perfect being about to come into your life. Keep your bundle of joy pure with our pediatrician reviewed and dermatologically tested baby products made with the safest, gentlest, and most effective ingredients, no compromises.

purehaven®

baby wash & shampoo

8 oz net wt

- Gentle formulation is ideal for all skin types.
- Features excellent foaming properties.
- Carefully selected non toxic ingredients like organic aloe vera and chamomile flower extract work together to leave baby's skin and hair clean and soft.

did you know?

After a review of 23 studies of early life exposures to cancer-causing chemicals, the Environmental Protection Agency concluded that carcinogens average 10 times the potency for babies than adults, and that some chemicals are up to 65 times more powerful.

mom & baby body oil

4 fl oz

- Light formulation locks in moisture and leaves skin glowing.
- Use during and after pregnancy in areas that require extra hydration (belly, hips, thighs, and more).
- Perfect for gently massaging baby for a skin-nourishing, bonding experience.

did you know?

Stretch marks during pregnancy are caused by stretching or loosening the skin tissue. Pumpkin seed oil contains essential fatty acids and flavonoids that have a positive effect on scarred skin with regular application.

baby bottom wash

4 fl oz

- Helps clean and soften baby's bottom and diaper area without over drying skin.
- Made with chamomile flower extract, known for its gentle soothing benefits, and decyl glucoside, a mild, environmentally friendly cleanser.

\$17.95* 95358

did you know?

Traditional baby wipes often contain harmful chemicals like parabens, phthalates, formaldehyde, and triclosan, which can quickly penetrate baby's skin.

baby diaper rash cream

3 oz net wt

- Non toxic, gentle, and effective, perfect for treating and preventing diaper rash discomfort.
- Seals out wetness and soothes irritated, chafed skin.
- Made with 14% non-nanoparticle zinc oxide to provide a true moisture barrier.

purehaven baby

100% free of toxins

3 oz net wt / 85 g

did you know?

Non-nanoparticle zinc oxide helps create a moisture barrier to prevent diaper rash from the start. Safe, non toxic ingredients like shea butter and coconut oil soften and soothe irritated skin.

purehaven®

mom balm

2.25 oz net wt

- Perfect for new moms, providing therapeutic comfort to dry, cracked skin.
- Great for stretch marks, as well as dryness from nursing.
- Certified organic.

\$24.95* 13040

\$17.47* WHOLESALE

did you know?

It's not all stretch marks and nursing! Many customers use mom balm as hair paste, lip balm, and a balm for cracked heels. It's a diaper bag must have!
