

## Gatherings Policy

Best business practices dictate that a Gathering is markedly more successful when it has a deadline. To help streamline your business and set you up for greater success, the following rules go into effect as of January 2, 2024:

- When a Gathering is created in the back office, it must be dated within 45 days of the creation date.
- If necessary, a Gathering date may be updated once, and the new date must be within 30 days of the original Gathering date.
- Once a Gathering is closed, it cannot be reopened, regardless of whether Host rewards were redeemed.
- Orders within a closed Gathering cannot be transferred to an open Gathering.
- Orders within one Consultant's open Gathering cannot be transferred to another Consultant's open Gathering.
- Orders that are not associated with a Gathering cannot be placed within an open Gathering unless they are within 30 days of the Gathering date.
- Gatherings will automatically close on the 5<sup>th</sup> of the month following the Gathering date.
